Key Features

Worldwide Cover

Coverage for home contents, valuable articles and even personal liability, wherever you go excluding Cuba and sanctioned territories.

Extended Replacement Cost Coverage

Pay up to 200% of the sum insured.

Expertise in Valuing Homes

As a specialist insurer of fine homes, we need to understand the true value of a home before we can offer insurance.

Our Home Appraisers carefully document the architectural details and unique features to rebuild your house. They can also review security and fire protection, and assess ways to reduce the risk of burglary, accident and fire.

Replacement Cost on Contents

Covers the full cost of replacing contents (new for old) after a covered loss, up to the insured limit without depreciation. This includes all possessions such as furniture, electrical appliances, books, clothing, bags, etc.

Cash Settlement Option

Option to receive cash settlement in the event of irreparable damage or loss.

Additional Living Expenses Coverage

Reasonable costs for your additional living expenses if you are unable to live in your home while it is being rebuilt. This period is not limited by the expiration of the policy.

Personal Liability Coverage

Covers you and your family residing with you for a variety of circumstances where you are legally responsible.

Exceptional Cover for Valuables

In the event of a covered total loss, you will get exactly the 'agreed value' amount, and not be restricted by limits, excess or depreciation.

Newly Acquired Items

For some categories, we provide 90 days of automatic cover for new acquisitions and up to 25% of the existing total sum insured.

Pairs or Set

If you lose or damage one item from a pair or set, we will give you the option to match that lost or damaged item, or surrender the remaining items. If the latter, we will pay the full replacement cost of the pair or set.

Choice of Repairer

We allow you to choose a preferred supplier to repair or replace a damaged item.
